Sir:

AMENDMENT UNDER 37 CFR §1.111

This is responsive to the Office Action mailed October 30, 2002, having a three-month shortened statutory period of response set to expire January 30, 2003. A Petition for a Three-Month Extension, together with the requisite fee for the same is submitted herewith, thereby extending the period of response to April 30, 2003. The following amendments and remarks are respectfully submitted.

IN THE CLAIMS:

Please amend claims 14 and 15 without prejudice or disclaimer, as indicated in attached Appendix A. Reexamination and reconsideration of the claims, as amended, are respectfully requested. A complete set of claims as amended is attached at Appendix B.

REMARKS

In the Office Action mailed October 30, 2002, the Examiner makes a non-statutory double patenting rejection based on a judicially created doctrine grounded in public policy, over U.S. Patent No. 6,165,525. A terminal disclaimer is submitted herewith, to overcome such rejection. The Examiner is respectfully requested to withdraw the rejection.
